NICA New York NICA Race Duration Guidelines

Riders will complete laps with the following Race Duration Guidelines for each category:

- **60 minutes: Middle School Race**
- **90 minutes: High School Race**

Student-athletes will be asked to withdraw at the finish line after cut-off time limits have been reached. Race officials reserve the right to determine these time limits at any time. Time limits may be imposed for reasons that include, among others, safety, heat, cold, rain, and muddy conditions or fatigue.

Course closures may be announced at any time.

Racers who do not make the time limit cut-off will still be scored and ranked.

Due to weather or course closures, these duration guidelines may be changed at League Discretion.

STAGING will begin 10 minutes before each wave.

Call Ups For All Riders Will Be Called.

The top 5 overall riders will be called to the line by name, and all other riders by number.

Volunteering at our Events

Race day would not be possible without the incredible work of our volunteers. It takes a “village” to put on quality youth mountain bike races. Many parents and cycling enthusiasts find getting involved with our events a fun and rewarding experience.

Saturday and Sunday positions are available. We know some positions can look complex and overwhelming for first-time volunteers. Rest assured ALL of our volunteer positions are fun and require no previous experience, and our Core Race Staff are with you every step of the way. You will feel confident and well-prepared for your task.

Refund/Weather Policy

Below are the guidelines for how the league will conduct races in challenging weather. Our primary considerations are the safety of riders, support staff, and spectators and potential damage to the venue and trails. Any decisions regarding canceling, postponing, or altering race start times, lap lengths, number of laps, etc., will be made jointly by league staff and the land manager. Often, this decision cannot be made until the morning of the race due to the unpredictable and rapidly changing nature of severe weather. The league will attempt to notify the racing population via email, social media, and website updates as soon as possible. Please review our full weather policy at: newyorkmtb.org
