Volunteering at our Events

Race day would not be possible without the incredible work of our volunteers. It takes a “village” to put on quality youth mountain bike races. Many parents and cycling enthusiasts find getting involved with our events a fun and rewarding experience.

Saturday and Sunday positions are available. We know some positions can look complex and overwhelming for first-time volunteers. Rest assured, ALL of our volunteer positions are fun and require no previous experience, and our Core Race Staff is with you every step of the way. You will feel confident and well-prepared for your task. View volunteer training videos [HERE](#).

Pick one (or two) that interests you, and look forward to the fun!

Refund/Weather Policy

Below are the guidelines for how the league will conduct races in challenging weather. Our primary considerations are the safety of riders, support staff, and spectators, and potential damage to the venue and trails. Any decisions regarding canceling, postponing, or altering race start times, lap lengths, number of laps, etc., will be made jointly by league staff and the land manager. Often, this decision cannot be made until the morning of the race due to the unpredictable and rapidly changing nature of severe weather. The league will notify the racing population via email, social media, and website updates as soon as possible. Please review our full weather policy at: **newyorkmtb.org**
